	The item provides for a standard fee of \$145 plus 25 cents per page for files over 50 pages in length							

For explanation of the notated numbers 1 to 13, please see footnotes on page 2. In general on this schedule, where no fee is listed (as with many '1' codes) it is assumed that the relevant '2' item number applies or a time-based proportion of the '2' recommended fee.

* These item numbers are not to be confused with the Medicare Benefits Schedule (MBS) item numbers

** Recommended fees do not include GST (where applicable)

Disclaimer: These fees are recommended only. Members are able to vary these fees at their discretion.
